#### Additional description

Solid and robust, we call cupboard Dennis, a manufacturer of the Dutch brand WOOD. This solid -FSC-certified-green hanging/laying cabinet has a brushed finish and is sprayed with a water-based paint in the colour steel grey. The doors have vertical V-groove lines. The interior of the cabinet is made of melamine and consists of one wide shelf at the top with a divided rod at the bottom on the left and three divided shelves at the right. This cupboard (hxxxd) 202x111x55 cm, is part of the room Dennis, this room consists of a sofa bed or a bed without walls, a desk, a closet, a storage box, a bedside table and a wall shelf.

#### Brushed wood:

This piece of furniture is made of brushed FSC-certified pine wood. The veins and knots are accentuated by brushing, giving the wood a long lasting appearance. This process allows unevenness, small cracks and knots to be extra visible. These are characteristics of the aged wood. This makes each copy unique!

The cabinet is supplied as a simple kit with a clear assembly instruction.
