### Additional description

Sideboard with impressive wood carving  
Made of strong mango wood  
Black metal frame  
H 83 x W 160 x D 40 cm

With the Counter sideboard, you place a real eye catcher in your home! The striking woodcarving on the doors attracts attention and continues to fascinate. Each sideboard has its own wood structure in the carving, which makes each item unique. The Counter sideboard is from the collection of Dutch brand BePureHome and is made of robust mango wood. Behind the four doors hides a sea of storage space. This space is divided by two horizontal shelves, these shelves can be removed but are not adjustable.

The sideboard has a total height of 83 cm, is 160 cm wide and 40 cm deep. The metal legs have a height of 18 cm. The metal frame is 2x2 cm thick. The four carved doors are 65 cm high, 39.5 cm wide and 2 cm thick. The doors have a soft-close system. The contents of the cupboard are divided into two large compartments, each with a 78 cm wide shelf. This shelf has a depth of 33.5 cm; there is a 1.5 cm gap at the back so small items can end up on the bottom shelf. The open compartments have a capacity of (hwxwd) 30x78x35 cm.

There are levelers under the legs, so that the sideboard can be levelled. The sideboard weighs 48 ...
