“ Thank you for choosing a pols potten product.
To ensure safe and satisfactory use of this product,
please carefully read the below instructions beforehand.”

general information

This dot stool is made of powdercoated metal.
This stool is for indoor use only and has a maximum weight capacity of 100 kg.

care instructions

- Clean by wiping with a damp cloth and immediately wipe dry with a soft dry cloth.
- Avoid contact with abrasive, alcohol and solvent based substances or cleaning agents, they can damage the surface.
- The use of furniture polish or sprays is neither necessary nor recommended.
- Do not strike with hard or sharp items.

safety note

- Always completely lift the furniture in an upright position when moving it. Handle and move with care as improper handling may cause material damage and personal injury.
- Ensure the furniture is always placed firmly on the ground.
- Do not stand, climb, jump or abruptly sit on furniture.
- Please keep these instructions for future reference.
